March 3, 2020

Major Painting Honored by the Painting Contractors Association for Commercial Painting Work

2020 Best Commercial Project Award Recipient

St. Louis, Missouri (March 3, 2020) – Major Painting in Lee Summit, MO was awarded the Best Commercial Project Award from the Painting Contractors Association (PCA) for their work painting Harrah's North Kansas City Hotel and Casino.

This Award is part of the Picture it Painted Professionally (PIPP) awards which honor the best work completed by PCA member contractors.

Major Painting painted 30,000 square feet of ceiling and all the exterior walls on the first floor of the casino.

The ceiling was made up of 65% ceiling grid and 35% sheet rock soffit with extensive crown molding. Major Painting cleaned the ceiling to remove smoke residue, prepared the ceiling items and painted it black. Soffits and crown molding were patched, prepared and repainted.

The wall portion of the project involved removing vinyl wallpaper, sanding the wall, priming, skimming and adding two coats of finish.

“Harrah's North Kansas City Casino was incredibly impressed with the work provided by Major Painting. As you could imagine trying to coordinate a “refresh” of a casino floor is not an easy task,” said Julie Sola, the assistant general manager of Harrah's North Kansas City Casino.

The Best Commercial Project Award was presented at PCA's annual EXPO event Feb. 19-21 in Phoenix-Glendale, Arizona.

The Painting Contractors Association (PCA) is an international trade association dedicated to the success of painting contractors through ethics, education and excellence. PCA provides best-in-class professional development training to support practitioners of the trade in reaching their greatest potential.
